

Jéroboam Grande Réserve Sérigraphiée 3QTS. 5.5FL. OZ. (3 L)

The Grande Réserve Jéroboam contains Chimay Grande Réserve, a dark Trappist ale with a strong fragrance and deep, rich flavour that only improves with time. The Grande Réserve Jéroboam is much more than Chimay Grande Réserve in a 3QTS. 5.5FL. OZ. bottle. A larger volume of ale actually affects the changing tastes resulting from the second fermentation of bottled ale, imbuing it with more body and smoothness. This vintage Jéroboam can be stored for surprisingly long periods of time, as with 33 cl and 75 cl (11.2FL. OZ and 1PT. 9.4FL. OZ.) Chimay Grande Réserve.
