

Magnum Grande Réserve Sérigraphiée 1QT. 1PT. 2.7FL. OZ. (1.5 L)

If you think that the Magnum is just a Chimay Trappist ale in a 1 QT. 1 PT. 2. FL. OZ. bottle, you are forgetting one essential fact, for it is important to appreciate that a large volume of ale affects the development of taste in the second fermentation of the ale in a bottle and gives it a fuller and smoother character. Luxurious and festive, the Magnum is a must for the connoisseur who will not forget to serve his beverage at cellar temperature in "Gourmet" or "Classique" glasses. Magnum Grande Réserve like its brothers of 33 and 75 cl (11.2FL. OZ and 1PT. 9.4FL. OZ), may be stored in dark conditions for several years. This is how the ale acquires a light and pleasant taste of port. Serve at cellar temperature.

DIMENSION - WEIGHT

Jéroboam Grande Réserve Sérigraphiée 2015
(Grande Réserve 9 % vol. alc.)
DIMENSIONS: Ø 4.52 in x h 13.66 in
GROSS WEIGHT: 7.2 lbs (3,270 kg)
